Effective October 1, 2003, the city shall establish a uniform credit system under a revised commissary contract whereby each employee shall have a five hundred dollars (\$500.00) credit assigned to that employee to allow the employee to acquire and maintain his/her uniform items, not classified as PPE. Each employee shall be assigned a \$500.00 credit each fiscal year thereafter. "Fiscal year" shall hereinafter refer to the period from October 1<sup>st</sup> through September 30<sup>th</sup>.

2. Existing minimum specifications for uniform items available to employees under the Commissary System in effect on September 30, 2002 shall remain available for purchase by the employee throughout the life of this agreement.
3. Uniform items not required by Department policy at the time of the signing of this Agreement, shall not be mandated unless by mutual agreement or legislative change.
4. In the event an employee enters the bargaining unit some time after October 1, 2002 or after October 1<sup>st</sup> of any fiscal years during the term of this Agreement, the employee will receive a limit or credit for a prorated amount of the designated limit or credit. The prorated amount shall be equal to one twelfth (1/12) of the designated limit or credit amount times the number of full or partial months left in the fiscal year on the date that them employee enters the bargaining unit.
5. Employees shall only use the designated credit to acquire and maintain uniform items used in the performance of their duties. All uniform items purchased by the employee using said credit must meet the requirements set forth in the Department's uniform policies.
6. In the event an employee's designated credit is exhausted during the fiscal year and said employee needs or is required to purchase a uniform item(s), the employee shall be responsible for acquiring the uniform item(s) at their own expense.
7. Any unused credit shall not be carried forward to the following fiscal year.

#### F. Cleaning of Uniform Items

The employee shall continue to be responsible for routine cleaning of uniforms items in accordance with generally applicable policies and operational practices in effect at the time of the signing of this Agreement; and with the full understanding that the City would not be obligated for anything beyond such generally applicable operational policies and practices in effect at the time of the signing of this Agreement unless expressly set forth in this article.

#### G. Modification of Amount

The parties have negotiated this Article in recognition of the City's interest in achieving fiscal certainty in its obligation under this Agreement. If changes in the law, rules or agency interpretation occur under this Agreement which result in new or increased City costs related to reclassifying current employee uniform items as of the signing of this agreement into PPE, the City shall be entitled to reduce the amounts of any limit or credit as follows:

1. Reclassification of uniforms shall reduce the amount by the actual increased cost resulting from reclassification but not more than \$225 per year;
  2. Reclassification of shoes shall reduce the amount by the actual increased cost resulting from reclassification but not more than \$120 per year.
- H. Each of the above provisions for resolution of disputes and a transitional commissary limit on commissary utilization are subject to negotiated modification of the existing agreement with the current commissary vendor in place at the time of the signing of this Agreement. Both parties to this Collective Bargaining Agreement have determined that such changes are more than likely feasible, and the City agrees to use its best efforts to accomplish those revisions.
- I. The provisions for a new Uniforms Credit System to take effect October 1, 2003 will require the City to release a new Request for proposals seeking proposals or bids from vendors in compliance with same. The City's obligations are subject to completion of such a new agreement. In the event that no agreement is in place, employees shall be entitled to the credit amount upon presentation of actual expenses receipts for approval uniform items.
- J. Each of the City's obligations in this Article which involve any change in existing agreements or funding levels are conditioned upon City Council approval of amended agreements and appropriation of funds in future fiscal cycles, and, absent same, such obligations shall not become effective or applicable. In the event that City Council fails to approve any agreements, employees shall be entitled to the credit amount upon presentation of actual expense receipts for approved uniform items.

### **BENEFIT PLANS**

#### **Section 1. Active Fire Fighters Health Benefits.**

- A. The City shall provide all active Fire Fighters who are eligible with family medical benefits and shall pay the full cost of said benefits as agreed upon herein. The minimum benefits provided are those as stated in the Master Contract Document for the City of San Antonio Uniform Employees and Uniform Prefund Retirees Health Benefit Program dated January 1, 2000, and as amended in Section 8 of this Article (hereinafter referred to as "Master Contract Document"). Provisions and benefits specified in the Master Contract Document shall not be reduced during the life of this Agreement; however, the City reserves the right to change carriers or plan administrators at any time at its discretion. While the City is prohibited from reducing the provisions and benefits specified in the Master Contract Document during the life of this Agreement, a determination of what medical service is medically necessary for a particular patient, or any reduction in the usual and customary charge for that medical service, will not be construed as a reduction in the benefits; provided that the determination is made in accordance with the procedure and criteria described in the Master Contract Document.
- B. Active Fire Fighters covered under this Agreement shall be granted the option of entering into or exiting from the flexible benefits program as provided for by the City to substitute for the basic program as outlined in this Agreement. Said option must be exercised by the active Fire Fighter during the City's re-enrollment period between the dates of October 1, and December 31, of each calendar year.

## **Section 2. Retired Fire Fighters Health Benefits.**

- A. **Retiree Benefits.** The City shall provide all retired Fire Fighters who are eligible with medical benefits. Retiree medical benefits shall be supplemental to Medicare benefits, only if the retiree is eligible for Medicare. Retirees shall not be required to purchase Medicare coverage if they have not qualified with the full 40 quarters for Medicare, Part A. Upon reaching the age and established qualification criteria for Medicare eligibility, medical benefits under the Master Contract Document as primary coverage shall no longer be applicable, and medical benefits provided under the Master Contract Document shall convert to supplemental coverage only, in accordance with the provisions set forth in the Master Contract Document. Once the retiree is eligible for Medicare, the retiree is required to apply for, purchase and maintain Medicare, Part B benefits. The benefits provided prior to Medicare eligibility are stated in the Master Contract Document.

Provisions and benefits specified in the Master Contract Document shall not be reduced during the life of this Agreement; however, the City reserves the right to change carriers or plan administrators at its discretion. While the City is prohibited from reducing the provisions and benefits specified in the Master Contract Document during the life of this Agreement, any reasonable determination of what medical service is medically necessary for a particular patient, or any reduction in the usual and customary charge will not be construed as a reduction in benefits, provided that the determination is made in accordance with the procedure and criteria described in the Master Contract Document.

Fire Fighters who retired on or after October 1, 1989, but before or on December 3, 1995, who became eligible for retiree medical benefits under the terms of the Collective Bargaining Agreement executed October 1, 1998, between the City and Union shall continue to receive retiree medical benefits in accordance with that prior Collective Bargaining Agreement. Retiree medical benefits for Fire Fighters, who retire on or after December 4, 1995, shall be determined in accordance with the Collectively Bargained Agreement and the Master Contract Document between the City and the Union in effect when the service or treatment is provided.

- B. 1. **Contributions.** The City has established a trust fund for prefunded retiree health care benefits for all eligible retired Fire Fighters (hereinafter referred to as "the Fund") and has increased its contribution levels for the purpose of establishing an actuarially sound retiree health benefit fund, evaluated over thirty years. The parties agreed in principle, in 1995, that, once an actuarially sound fund was established by current contribution levels, the responsibility for future contributions (made necessary by changes in circumstances, the economy, and the medical care system) would be jointly shared by the parties, and would be quantified and allocated by negotiation in future agreements, as necessary. In keeping with this principle, the contribution levels to the trust fund and their effective dates shall be as follows:

<b>Effective Date</b>	<b>City (% of base pay + longevity/ month)</b>	<b>Each Firefighter (\$/month)</b>
June 1, 2002	8.92	40
October 1, 2002	8.71	50
October 1, 2003	8.51	60
October 1, 2004	8.33	70

If the Board of Trustees of the Fire and Police Retiree Health Care Fund, San Antonio "Board") does not complete an actuarial study on the Fund by January 2004, the parties agree to have an actuarial study completed on the Fund for that fund year. The costs of study shall be paid by the City and deducted from its contribution to the Fund. The study shall be conducted by a firm having experience in conducting actuarial analysis on municipal retiree health benefit programs, and which is jointly selected by the City and the Unions. The study shall evaluate the amount of monthly contributions necessary to provide benefits under the fund and amortize the unfunded liability for a period of not more than thirty (30) years. The City shall provide such accurate and complete information, as the actuary shall require. The assumptions utilized shall be determined by the actuary, provided that any material change in the assumptions shall be preceded by notice to the City and the Union, and an opportunity for input or conferences prior to completion of the study.

The Union or City may request additional studies, revised assumptions, or developed scenarios as it may deem necessary from the same firm, by paying for such additional services. Contributions beyond the term of this Agreement shall be as negotiated by the parties in future contract terms with the understanding that the parties have agreed, in principle, to share contributions to the Fund as follows: 2/3 City and 1/3 Union members.

In the event that legislation is proposed to be introduced to the Texas Legislature during the term of this Agreement, which removes control over the benefits levels from the collective bargaining process or establishes contribution amounts to the Fund, the parties agree to reopen negotiations to discuss any revisions to this section. The parties agree to include the San Antonio Police Officer's Association in any such discussions. The Association has obtained this provision to reopen negotiations on the basis of its commitment and agreement that any change by legislation which removes any control over the Fund from the collective bargaining process shall establish a defined contribution level in order to protect the City and its taxpayers from any unfunded liability resulting from such revisions. If the parties agree to revise the provisions hereof, any changes must be approved by City Council and ratified by the Association.

- B 2. The parties have agreed that Section 2. B. 1. shall be subject to a limited re-opener on the sole subject of equalizing contributions to the prefunded retiree health care fund.

- C. Spouses of retired Fire Fighters shall be eligible to receive the benefits as set forth in the Master Contract Document. Medical benefits shall be supplemental to Medicare benefits once the spouse individually qualifies for Medicare coverage. Spouses of retired Fire Fighters shall pay a portion of the annual health plan to retain coverage at a rate based on the tenure of the fire fighter to whom the spouse was married. Beginning with a Fire Fighter, who served 20 years or less, the spousal rate will be 30% of the health plan premium (the COBRA formula premium as enumerated in chapter 2 of the Master Contract Document). From 21 years to 30 years of tenure, for each year of tenure above 20, the spousal rate will decrease by 3% of the health plan premium until it is 0% for a spouse of a Fire Fighter with 30 years of tenure. Once the retired Fire Fighter becomes eligible for Medicare, the spousal rate will become 0% of the annual health plan premium.
  
- D. Spouses of deceased Fire Fighters shall be entitled to benefits provided for spouses of retired fire fighters, in the event that the deceased fire fighter died in the line of duty, or was eligible for retirement at the time of death. Line of duty shall mean any occurrence wherein the officer was exercising the power and authority of a certified fire fighter, whether or not scheduled for duty at the time of death. Spouses of Fire Fighters not eligible for retirement or acting in the line of duty at the time of death shall be entitled to continue coverage by paying the applicable COBRA formula premium (as enumerated in Chapter 2 of the Master Contract Document), until death or remarriage.
  
- E. Upon retirement, the Fire Fighter may elect to cover any other eligible dependents (other than spouse) in accordance with the Master Contract Document. The retiree shall pay 100% of the health plan premium (the COBRA formula premium as enumerated in Chapter 2 of the Master Contract Document) for any such other eligible dependent.

**Section 3.** Medical benefits provided for herein as to fire fighters and their spouses shall be supplemental to Medicare/Medicaid benefits. Once the spouse is individually eligible for Medicare, each such person is required to apply for, purchase, and maintain Medicare benefits. Upon the death of a retired fire fighter who became a fire fighter on or after October 1, 1988, the plan shall pay the applicable Part B Medicare premium for a surviving spouse until death or remarriage. The Plan Administrator may approve any alternate health care coverage provided by the spouse of a retired or deceased fire fighter, in lieu of Medicare coverage to comply with this requirement. The health plan will serve as supplemental coverage or coverage levels not otherwise provided by Medicare, to the extent permitted by federal law.

**Section 4.** This agreement, and the Master Contract Document for Health Benefits adopted herein, shall control the available health benefits during the term of this agreement, for active fire fighters. The supplemental insurance coverage provisions for retired fire fighters and spouses shall control available health benefits during the term of this agreement for retired fire fighters and spouses.

**Section 5.** Health care benefits for active or retired Fire Fighters shall not be terminated, altered, modified or reduced, during the term of the Agreement, except by amendments or successors to this Agreement.

**Section 6.** It is understood and agreed that the provisions of this agreement and the Master Contract Document for health benefits have been drafted in substantial and material reliance upon existing provisions of federal and state law concerning employee health benefits. Any change in federal or state law or regulations which changes the obligations of either party, or the applicability or extent of Medicare benefits, or materially alters the assumptions relied upon in negotiations shall entitle the City or the Union to reopen negotiations concerning health benefits.

**Section 7. Other Benefits.**

The City reserves the right, at its sole discretion, to conduct an audit of said benefit plans at the City's expense any time during the term of this Agreement. - D. **Use of Benefits.** With respect to the prepaid legal benefits, it is understood that no employee may use the benefits for the purpose, in whole or in part, of implementing and/or initiating legal action against the City, any of its agents, officers, and/or assigns.

The Union shall ensure that all funds paid by the City pursuant to this section are used for the exclusive benefit of the employees and that said funds shall not be commingled with the funds of any other organization, entity, or Union, nor shall said funds be used for any other purpose other than that provided for herein.

- E. **Payment and Change in Plans.** During the term of this Agreement, the Union may change providers for Supplemental Benefits (Dental/Optical and Legal). In the event that the Union makes a proposal to change benefit providers, the Union shall submit the same in writing to the City.
- F. **Copies of Trust Plan.** The Union will provide to each employee a summary of each Trust plan and will provide up-to-date copies of the Trust Plan Documents to the Human Resources Department and the Union Office.
- G. **Determination letter.** It shall be the sole responsibility of the Association to maintain the tax-exempt status of the benefit received under this Section. In accordance therewith, the Association shall provide to the City, through its Director of Finance, a copy of the Internal Revenue Service Determination Letter regarding the tax-exempt status of the benefit received under this Section.. Said Letter shall be received by the City no later than ten (10) days from commencement of this Agreement.

## **ARTICLE 26.**

### **MISCELLANEOUS**

**Section 1.** Should a Fire Fighter be ordered to another station after reporting to his assigned or temporary assigned duty station, mileage will be paid to the next station after reporting to his assigned or temporary assigned duty station. Mileage will be paid to the next station at the existing City rate per mile, or a minimum of \$2.00, whichever is greater. In order to be reimbursed for mileage expenses, a Fire Fighter so affected must turn in to the Chief each quarter on October 1, January 1, April 1, and July 1, of each calendar year expense vouchers requesting reimbursement for mileage expenses during the preceding quarter. Failure of an employee to timely file his voucher request shall result in the employee's waiver and relinquishment of any entitlement to said reimbursement of mileage expense.

**Section 2.** Suspensions. Employees suspended up to a maximum of six (6) working days may, at the employee's discretion, forfeit either accumulated vacation time or holiday leave equal to the suspension. The employee shall have ten (10) calendar days from his receipt of notice of the suspension to decide whether or not he wishes to forfeit accumulated leave or exercise his appeal rights pursuant to Local Government Code Chapter 143. The provisions of this Article shall apply solely to suspensions which are agreed to by the employee, and no appeal to the Commission or to arbitration may be instituted on suspensions where the employee has forfeited accumulated vacation or holiday leave.

**Section 3.** Except when workload dictates or in the case of regular alarms or Departmental announcements, all stations shall be on selective call for twenty-four (24) hours per day.

**Section 4.** The City shall make a copy of this Agreement available at each station and a copy provided to each Fire Fighter.

**Section 5.** The Chief shall have the authority at any time to require a Fire Fighter to submit to psychological evaluation or treatment and/or medical evaluation, at the City's expense, to be performed by a qualified psychologist, psychiatrist, counselor, therapist, or medical doctor chosen by the City. It is understood and agreed that should an employee refuse to submit to a psychological and or medical examination, or refuse to provide the results of such examination, such refusal shall constitute a refusal to obey a command, for which discipline may be imposed. To the extent allowed by law, the City will indemnify the Union from liability in connection with any disciplinary matters arising under this section.

**Section 6.** Effective with the execution of this Agreement, the Chief shall have the right to assign (which assignment shall not be unreasonably withheld), a Fire Fighter to light duty

not to exceed one (1) calendar year from the date of the assignment based on the recommendation of a qualified physician. The Chief, in his sole discretion, may extend the duration of an employee's light-duty assignment.

**Section 7.** After an employee has two (2) uses of emergency leave in a calendar year, for each subsequent use of emergency leave, the Fire Chief shall have the right to deny eligibility for the next voluntary overtime opportunity which would otherwise have been made available to the employee.

**Section 8.** In the event of a Firefighter death which occurred in the line of duty, the City shall pay \$5,000 over and above the City's life insurance/accidental insurance benefit to the beneficiary to assist with funeral and/or related costs. The City shall issue payment directly to the beneficiary listed on the employee's life insurance within ten (10) working days of receipt of the proper request for said payment.

**Section 9.** Employees separating from the Department shall have their pay for accrued vacation leave calculated at base pay plus longevity.

#### **Section 10. Equipment Reimbursement**

A. In accordance with this section, employees who are personally issued or who have individual personal responsibility during a shift for protective clothing, radios, cellular phones, or pagers shall be responsible for reimbursing the City for repair or replacement cost of such equipment in the event of loss or damage resulting from negligence or abuse on the part of the employee. Before the City may require reimbursement under this section, the City must provide the employee advance written notice of the proposed reimbursement. Within ten (10) days of the employee's receipt of such notice, the Union may request mediation-arbitration from the Federal Mediation & Conciliation Service. In such case the parties must exercise their best efforts to schedule the mediation-arbitration within thirty (30) days of the Union's request, taking the FMCS Commissioner's availability into account. In such procedure the FMCS Commissioner's shall first serve as a mediator, and attempt to facilitate voluntary settlement. If voluntary settlement is not achieved, the FMCS Commissioner shall become an arbitrator. He or she shall hear witnesses, who shall be subject to cross-examination, shall receive documentary evidence, and shall have the authority to exclude any evidence that he or she considers irrelevant or immaterial. Attendance and compensation of witness shall be governed by Section 5 of Article 29. There shall be no written briefs. The Commissioner shall issue a bench decision at the conclusion of the hearing, which shall constitute a final and binding arbitration award as to whether or not the employee is liable for reimbursement, and the amount thereof if any, under this section. In no event may an employee be required to pay reimbursement until and unless an arbitrator under this section so orders, if the Union timely requested mediation-arbitration.

**B. Reimbursement – Items less than \$50:** When an employee is required under Section 10(A) above to reimburse the City for repair or replacement cost of less than \$50.00, the employee shall pay the reimbursement either within 10 (ten) working days of notice of the Chief's determination if mediation-arbitration is not invoked, or in the event mediation-arbitration is invoked, within 10 (ten) working days of the execution of a mediated settlement or the issuance of an arbitration award, whichever is applicable.

**C. Reimbursement – Items greater than \$50:**

1. When an employee is required under Section 10(A) above to reimburse the City for repair or replacement cost valued at or above \$50.00, either by the Chief's determination if mediation-arbitration is not invoked, or by virtue of a mediated settlement or arbitration awarded if mediation-arbitration is invoked, the employee shall have the option to reimburse the City in one (1) payment or may utilize payroll deductions to reimburse the City for such repair or replacement cost, as long as deductions are made in increments of not less than \$50.00 bi-weekly.
2. If the employee chooses to make one (1) payment, said payment shall be made within thirty (30) days of either the date of notice of the Fire Chief's determination if mediation-arbitration is not invoked, or the date of execution of a mediated settlement or of an arbitration award if mediation-arbitration is invoked.
3. If the employee chooses to utilize payroll deductions, reimbursement coordination with the Department's Payroll Section shall be made within ten (10) working days of either the date of notice of the Fire Chief's determination if mediation-arbitration is not invoked, or the date of execution of a mediated settlement or of an arbitration award if mediation-arbitration is invoked. It shall be the obligation of the employee to coordinate such repayment with the Fire Department Payroll Section.

**D.** No employee who is ordered to make reimbursement under this section shall be subject to disciplinary action, unless it is shown that the loss resulted from intentional or deliberate misconduct. When an employee is found by an arbitrator under this Section not to be liable for reimbursement, such arbitration award shall be final as to all issues involved as to the alleged loss or damage, and the employee may not be subject to subsequent disciplinary action over the same alleged loss or damage.

**ARTICLE 27.**

**EMPLOYEE FITNESS**

**Section 1. Purpose.**

The purpose of the physical fitness plan is to ensure that employees of the Department are physically capable of meeting all of the physical demands inherent in the job. It is the

intent of the parties that the elements of the plan be directed to establishing such job-related physical fitness. The City and the Union recognize that each employee of the Department has individual physical characteristics which must be taken into account in assessing and applying the requirements of the plan.

## **Section 2. Fitness Requirements for New Employees.**

- A. Effective with the first class to enter the Fire Academy after the approval of this Agreement, all new employees must agree to maintain a standard of fitness throughout their careers with the San Antonio Fire Department.
- B. The City and the Union will meet and come to an agreement on the standard of fitness to be maintained and the regulations, policies, penalties, medical considerations, etc. which will be necessary to implement this section.

## **Section 3. Fitness Program for Existing Employees.**

The City and the Union shall meet and come to an agreement on a physical fitness program for existing employees which is not punitive in nature, but is instead aimed at promoting physical fitness among all employees of the Department. Any discipline which may be issued for non-compliance with the physical fitness program or plan must be corrective in nature and must take into account the individual characteristics of the employee involved.

The City agrees to promote compliance with the plan through education, incentives, interdepartmental counseling and other positive approaches.

**Section 4.** Nothing in this article or agreement shall require the City or the Union to violate the statutory provisions of the Americans with Disabilities Act.

## **Article 28.**

### **DRUGS AND ALCOHOL**

#### **Section 1. General.**

- A. It is agreed that efficiency and safety in the work place is necessary and required in order to carry out the mission of the Fire Department.
- B. Therefore, it is understood that the use of alcohol, drugs, or other controlled substances by members of the bargaining unit without proper prescription or other authorization while on duty or in the work place is detrimental to the operation of the Department and is clearly prohibited by this Agreement and the rules and regulations of the Fire Department.

- C. It is further agreed that the parties will work toward development of a program of awareness and education of the danger and effects of drug and alcohol abuse.
- D. The City and the Union agree that Firefighters may be called upon in hazardous situations without warning, and that it is imperative to the interest of the Firefighters and the public to ensure that no Firefighter is substance impaired. In order to further their joint interest in protecting Fire Fighters and the public, effective October 1, 2003, the City and the Union agree to mandatory random drug testing as described in this section.

**Section 2. Reasonable suspicion testing**

- A. The Union acknowledges and recognizes the right of the City to investigate possible alcohol or drug abuse by bargaining unit members which impairs job performance and to require employees to submit to various specified, approved and recognized medical procedures, provided reasonable suspicion exists, in accordance with proper procedure and applicable law, as well as the terms of this Agreement. In this regard, it is understood that the City shall adequately train its supervisory personnel who have authority to investigate the reasonable suspicion standard in detecting symptoms and effects of alcohol and/or controlled substance abuse. This Article in no way establishes or permits testing in violation right provided by this Agreement.
- B. In addition to reasonable suspicion testing as provided for above, the parties acknowledge the right of the City to require employees who receive special assignments to be tested. As used herein, special assignments shall include assignments to Haz-Mat, Paramedic, and/or Arson units where the assignment requires (1) the carrying of a firearm; (2) contact with or access to extremely dangerous materials; and (3) the administration of controlled substances. Testing must be approved pursuant to recognized medical procedures in accordance with applicable clinical protocols as well as the terms of this Agreement. Employees applying for such positions must be informed at the outset that such testing will be required prior to promotion/assignment to the position sought. In no event will employees be tested under this subsection as a result of involuntary assignment to an affected position, unless said assignment is the result of a promotion. Employees subject to tests under this subsection will be given a minimum of five (5) days notice of the actual test, and shall take the test, and the City must administer the same, in a manner which assures the employee's privacy to the greatest extent possible consistent with the City's need to preserve the integrity of the test procedures and results.

### **Section 3. Random Testing.**

- A. One Hundred percent (100%) of Fire Fighters of all ranks, including the Chief, shall be susceptible to mandatory testing for illegal drugs and controlled substances, during each calendar year on a fair and impartial statistical basis at the City's expense. The fair and impartial statistical basis (in which each employee has an equal chance of being selected during a calendar year) shall be by a non-discriminatory computerized program operated and certified as non-discriminatory by an independent firm hired by the City, and the employee shall be tested upon being selected by the computer. The computer program shall be designed to ensure that no employee shall be randomly tested more than once in any 12-month period.
- B. Upon notice of selection for random testing, any employee shall provide a urine sample in accordance with the policy or protocol established by the testing laboratory. Failure to provide a sample may be considered insubordination, and may be the basis for suspension or indefinite suspension. The Medical Review Officer (MRO) shall be contacted for instructions in the event of a claimed inability to provide a sample.
- C. The City and the Union have a mutual interest in ensuring that drug impaired Fire Fighters do not perform fire department duties. The City and the Union agree that the purpose of the mandatory drug testing policy is not to punish an employee who has not violated the Fire Department's rules, regulations, policies or procedures. The City and the Union are committed to the principle that the mandatory drug testing policy for Fire Fighters is designed and shall be administered to result in disciplinary action only against those Fire Fighters who have violated the Fire Department's rules, regulations, policies and procedures.
- D. The City will utilize a U.S. Department of Health and Human Services (DHHS) approved laboratory in performing urinalysis for drug detection. The laboratory will provide chain-of-custody procedures and documentation necessary to meet federal standards. Specimen collection and chain of custody procedures will ensure that specimen security, proper identification, and integrity are not compromised. A MRO will provide oversight to trained personnel on the collection and testing of urine samples. The Medical Review Officer shall be a qualified physician designated by the City.
- E. The employee will provide a urine specimen in a location that affords privacy. The collector will seal and label the specimen, initiate a chain of custody document, and prepare the specimen and accompanying paperwork for shipment to the drug testing laboratory. Each urine specimen will be subdivided into two bottles labeled as "primary" and "split" specimens. Both bottles will be sent to a laboratory where only the primary specimen confirms the presence of illegal, controlled substances, the employee will have 72 hours from the time they are notified by the MRO

concerning positive test result to request the split specimen be sent to another DHHS-certified laboratory for a second opinion analysis. If either analysis is below the positive threshold levels, this shall constitute a negative result and the employee shall not be subject to further random testing for at least 12 months. Both the primary and the split specimen shall be maintained for one year to be available in the event of legal or contractual disputes or further questions. In addition, employees may at their own expense request to have another urine specimen administered at a physician's office of the employee's choice and accompanied by the testing personnel provided such testing is administered within four (4) hours of the initial notification for testing. Results of any such test taken at the employee's expense shall be provided to the City only if the employee chooses to release the results to the City.

- F. Sample testing procedures shall conform to scientifically accepted analytical methods and procedures and shall include confirmation of positive test results by gas chromatography/mass spectrometry (GC/MS). Before the results of a drug test may be used as a basis for any action, an MRO will be employed to determine if the test result is positive due to illicit drugs, or prescribed or over-the-counter drugs or food substances. In the event the MRO determines laboratory analysis found the specimen to be positive, but circumstances leading to the test result were other than illicit drug use, the test will be reported as negative to the City.

#### **Section 4. Threshold Levels Revealed by Testing.**

The parties have agreed that the following levels shall be determinative in any testing administered under this Article.

- A. The five (5) drugs to be screened and the test cutoff levels in nanogram/milliliter are as follows:

	<b>Drugs</b>	<b>Cutoff Levels</b>
1.	Marijuana metabolite	50 ng/ml
2.	Cocaine Metabolite	300 ng/ml
3.	Opiate metabolite	2,000 ng/ml
4.	Phencyclidine	25 ng/ml
5.	Amphetamines	1,000 ng/ml

- B. Concentrations of a drug at or higher than the above levels shall be considered a positive test result on the initial drug screening test.

1. An initial positive test result will not be considered conclusive; rather, it will be classified as "confirmation pending."
  2. A positive test result on the initial drug-screening test will automatically require a confirmation drug test be performed.
- C. The same five (5) panel drug screen test will be conducted on each confirmation drug test as was conducted on the initial test. The five (5) drugs to be screened and the test cutoff levels in nanogram/milliliter for the confirmation drug test are as follows:

Drugs	Cutoff Levels
1. Marijuana metabolite	15ng/ml
2. Cocaine metabolite	150ng/ml
3. Opiates:	
a. Morphine	2,000 ng/ml
b. Codeine	2,000 ng/ml
c. 6-Acetylmorphine	10 ng/ml
4. Phencyclidine	25ng/ml
5. Amphetamines:	
a. Amphetamines	500 ng/ml
b. Methamphetamine	500 ng/ml

- D. Concentrations of a drug at or higher than the above levels shall be considered a positive test result on the confirmation drug screening test. A positive test result under this section shall not constitute conclusive proof of impairment or use, but shall create a rebuttable presumption subject to challenge through the grievance procedure. In the event that the employee appeals any disciplinary action to arbitration after a positive test result under this section, the losing party shall pay all costs of the proceeding. The employee is the "losing party" under this section if the arbitrator finds drug or alcohol impairment in violation of department policies, rules or regulations, irrespective of any modification or reduction in discipline.

## **Section 5. General.**

- A. The thresholds listed above shall apply to all testing under this Article. Employees will complete a pre-testing consent form each time a test is conducted as part of drug testing procedure under this Article. Failure to do so may be insubordination, and just cause for discipline. This is in addition to any signed acknowledgement forms which may have been obtained at the time of employment or any other occasion.
- B. In all testing under this Article, only conclusive results are to be reported to the City. A positive urinalysis test will be confirmed by a GC/MS test and reviewed by a Medical Review Officer before considered conclusive. Both tests must be positive or the results are considered inconclusive, thereby causing a negative test result to be reported to the City.
- C. In all testing under this Article, individuals with positive test results for drugs will be notified by the MRO (or a para-professional acting as his delegate) in person or by telephone. An interview will be conducted to determine if there is an alternative medical explanation of the drugs found in the employee's urine specimen. The employee is entitled to request and receive an in-person interview with the MRO prior to release of a positive result. If the employee provides appropriate documentation and the MRO is satisfied with the explanation, the drug test result is to be reported as negative to the City.
- D. Concentrations less than the thresholds listed herein, or initial positives not confirmed by the confirmatory testing shall be disregarded by the City, and may not be referred to or used at any time for any employment or disciplinary purpose whatsoever by the City.

## **Section 6. Confidentiality.**

All records pertaining to the department required drug tests shall remain confidential to the extent allowed by law, unless offered in evidence in a disciplinary appeal. Drug test results and records shall be stored in a locked file under the control of the Chief or his designee. The Chief will maintain original copies submitted by the laboratory. No access to these files shall be allowed without written approval of the Chief.

## **Section 7. Rehabilitation and Treatment for Substance Abuse.**

- A. The parties have these joint objectives in this Article of the Agreement:
  - 1. To preserve the Chief's right to discipline or terminate an employee for on-duty use or impairment in violation of Fire Department Rules and Regulation;

2. To create disincentives for the use and abuse of substances, and
  3. To provide a means, together with incentives, to seek and obtain treatment and rehabilitation for any employee who is involved in off-duty substance abuse.
- B. Any employee who voluntarily seeks rehabilitation and treatment shall be entitled to the same leave and benefits that are otherwise applicable under leave policies and the existing coverage definitions in the Master Contract for Health Benefits, provided, however, that the Chief's right to discipline or terminate for on-duty use or impairment shall not be affected by this provision. An employee entitled to rehabilitation and treatment is not exempted from disciplinary action for violation of any other rules and regulations of the department (e.g. off duty DWI, regulations concerning leave, etc.).
- C. The City shall implement a drug and alcohol abuse education program. As part of that program, information will be provided on the availability of any EAP services under City programs or other outside service providers. The City will provide employees with literature and audio-visual materials and a copy of the drug and alcohol-free workplace policy as well as penalties for violating said policy.

#### **Section 8. Union Representation of Members.**

While it is understood that the Union is unequivocally opposed to the use of alcohol or drugs in the work place as well as the abuse of such substances under any condition and further agrees to cooperate toward the prevention of such abuse and strongly supports the prohibition of the use of drugs or alcohol in the work place and the proper enforcement of the Department's rules and regulations, the Union, retains the right to fairly and properly represent any aggrieved member of the bargaining unit by reason of the application of this Article, including but not limited to what the Union may consider as unwarranted or unreasonable investigations, search or the imposition of discipline.

### **ARTICLE 29.**

#### **GRIEVANCE PROCEDURE**

##### **Section 1. Scope of Procedure.**

The purpose of this Article is to provide a just, equitable, and expeditious method for resolving disputes between the City and the Union (or employees) concerning all aspects of the employment relationship between the City and bargaining unit employees, and concerning the bargaining relationship between the City and the Union. To that end, the parties hereby agree and stipulate as follows:

- A. All disputes concerning the interpretation and/or application of the terms of this Agreement shall be submitted, if at all, to the grievance/arbitration procedure as called for herein. Failure to initially pursue grievance/arbitration in these instances shall be the basis for a plea in abatement in response to any suit or claim filed with a court of law and/or administrative agency.
- B. Employee claims of violation of statutory or constitutional rights may be submitted to the grievance/arbitration procedure or may be pursued by means of judicial and/or administrative appeal; provided that once the employee has elected to file a lawsuit and/or administrative claim, all issues raised by the dispute or claim will be resolved in such lawsuit and/or administrative process, and no grievance may be filed concerning the same subject matter. It is recognized that claims falling under this subparagraph may be included with related claims of contract violations. In such circumstances, the City shall not be entitled to abatement of a suit involving the contract claims, related to the statutory or constitutional claims asserted, for failure to grieve such contract matters initially. If the employee elects to use the grievance/arbitration procedure to raise statutory or constitutional claims, such matters may not thereafter be appealed to court except as provided by this Article.
- C. Union claims of violation of statutory and/or constitutional rights as to it individually and/or in behalf of a "class" of its members shall be submitted, if at all, to the grievance/arbitration procedure called for herein. Upon the exhaustion of such remedy, such matter(s) may not thereafter be appealed to a court or agency except as provided for herein.
- D. Claims alleging violation of Article 11, Section 1, or state or federal laws prohibiting employment discrimination including discrimination for having initiated or filed a claim for workers' compensation benefits, as prohibited by Texas Labor Code Section 451.001, shall not be subject to the grievance/arbitration procedure.
- E. Disciplinary matters subject to the appeals procedure provided by Texas Local Government Code Chapter 143 shall not be subject to the grievance/arbitration procedure; provided that such matters, at the employee's election, will be subject to the Civil Service Commission or grievance/arbitration procedure under a just-cause standard, if Texas Local Government Code Section 143.057 is repealed or amended to eliminate the optional appeal of disciplinary matters to a Hearing Examiner. If the provisions of Chapter 143 are not repealed, and should the employee elect to proceed to the optional appeal of disciplinary matters to a Hearing Examiner, the examiner shall be one of the six (6) pre-selected, qualified neutrals as called for in Section 4 (A) hereof. The powers, duties, and/or obligations of said arbitrator/hearing examiner shall likewise be as provided for in this Agreement and applicable provisions of the Texas Local Government Code, Chapter 143.

## **Section 2. Time Limits.**

The parties shall adhere to the time limits set forth in this Article, unless such time limits are waived or extended by mutual agreement. In the event the employee or Union fails to meet the time limit at any step of the grievance procedure, the grievance shall be considered satisfied and no further action need be taken; provided, that where the grievance concerns a matter within the jurisdiction of the courts, the employee may file suit if the grievance is rejected due to failure to comply with a time limit set forth in this Article. Failure by the City to meet the time limits at any step shall be considered a denial of the grievance which will allow the Union or employee, at their option, to proceed to the next step. Time limits begin to run on the date of a party's actual receipt of an appeal or response. When either party provides an appeal or response by mail, its timeliness shall be judged by the postmark on the envelope. Where a deadline falls on a Saturday, Sunday, or legal holiday, the deadline will be extended to the next day which is not a Saturday, Sunday, or legal holiday.

## **Section 3. Steps of Grievance Procedure.**

### **A. Relief through Chain of Command**

1. The Union or any employee covered by this Agreement having a matter which is felt to be a grievance shall first attempt to resolve the matter through the appropriate chain of command via telephone, e-mail or face to face meetings. The employees shall have ten (10) days from the actual or constructive knowledge of the event to seek resolution through the chain of command.
2. In the event the matter is not resolved through the chain of command via telephone, e-mail or face to face meetings, and the employee did not have an opportunity to speak face to face with an Appointed Chief in his chain of command, the employee may request a face to face meeting with the lowest ranking Appointed Chief in his chain of command.
3. If the employee desires a face to face meeting in accordance with Section 3, A (2) of this Article, the request to meet must be made within three (3) calendar days after the verbal decision through the chain of command but not later than the 13<sup>th</sup> day from actual or constructive knowledge of the event giving rise to the matter. The Appointed Chief or his designee shall meet with the employee within seven (7) days from receipt of the request. An employee's decision to meet is voluntary and under no circumstances shall overtime be paid for such meetings.
4. In the event multiple employees request meetings with an Appointed Chief or his designee on the same subject matter, the Appointed Chief shall not be obligated to have more than three separate meetings on that subject.

5. In the event the matter is not resolved at Step 1, the employee may submit a grievance to the union grievance committee as specified in Step 2.

#### **B. Step 1. Initial Filing and Grievance Committee Review**

1. In order to be considered, a grievance raising contractual issues must be submitted to the union grievance committee within thirty (30) calendar days of the grievant's actual or constructive knowledge of the event. A grievance raising non-contractual issues must be submitted with the union grievance committee within one hundred eighty (180) calendar days of the grievant's actual or constructive knowledge of the event.
2. The Union or any employee covered by this Agreement having a matter which I felt to be a grievance shall submit the grievance in writing to the Union Grievance Committee. The grievance shall be submitted on a form (FG1) to be provided by the City and must include (a) a brief statement of the grievance and the facts on which it is based; (b) the section of the collective bargaining agreement which has been violated; (c) the remedy or adjustment, if any, sought; (d) the employee's signature; and (e) where "maintenance of standards" is a basis for the grievance, the specific standard(s) alluded to must be identified. As used herein, "maintenance of standards" includes all statutory or other non-contract provisions incorporated herein through the Maintenance of Standards Clause found at Article 9.
3. Within three (3) business days after receipt of a grievance, the Union Grievance Committee must submit the grievance to the Fire Chief.
4. The Union Grievance Committee shall have ten (10) business days from receipt thereof in which to act on the grievance.
5. If the Union Grievance Committee decides in its sole discretion that no grievance is found to exist, no further action shall be required; provided, that if any employee grievance concerns matters appealable to court, e.g., statutory violations, the employee retains the option to file suit if his/her grievance is rejected at Step 1.
6. If a grievance is found to exist for reasons stated by the employee or other reasons known to the Committee, the Committee shall process the grievance by passing it to Step 2. Any additional bases for the grievance added by the Committee or amendments to the FG1 will be forwarded with the original grievance.

#### **C. Step 2. Submission of Grievance to Fire Chief and Fire Chief's Response**

1. If a grievance is believed to exist, the matter shall be submitted to the Fire Chief or his designated representative within ten (10) business days of the Step 1 ruling.

2. The Fire Chief or his designee shall respond to the grievance and shall render a decision to the Union Grievance Committee, in writing (FG3), within twenty (20) business days from receipt thereof.

#### **D. Step 3. Appeal to City Manager**

1. If a grievance is not resolved at step 2, the Union Grievance Committee shall submit the grievance, in writing, to the City Manager or his designated representative within ten (10) business days from receipt of the decision at Step 2.
2. The City Manager or his designated representative shall review the matter and shall render a decision in writing to the Union Grievance Committee within fifteen (15) business days.

#### **E. Step 4.**

1. If the grievance is not resolved at Step 3, the Union Grievance Committee shall have ten (10) business days from receipt of the City Manager's decision to submit the matter to arbitration.
2. Arbitration will be invoked by delivering a letter to the City Manager.

#### **Section 4. Arbitrator Selection**

- A. If a grievance is submitted to arbitration or an employee appeal to a Hearing Examiner is requested, within five (5) business days, the City and the Union shall select an arbitrator/Hearing Examiner by order of rotation the name of one of six (6) pre-selected, qualified neutrals.

The panel of six (6) shall have been previously agreed upon by the parties. The arbitrator selected shall be notified promptly by the City or the Union of his appointment and, simultaneously therewith, the parties in agreement with the arbitrator shall select a date for a hearing of the grievance. If the arbitrator cannot begin the hearing within 90 calendar days after being notified, the parties shall select another arbitrator using the procedure prescribed by this subsection. If none of the arbitrators can begin the hearing within 90 calendar days of being notified, within five (5) business days, the City shall request a list of seven (7) qualified neutral arbitrators from the American Arbitration Association or the Federal Mediation and Conciliation Service, or their successors in function. The request shall include that only arbitrators who can schedule a hearing within 90 calendar days after the first arbitrator selected from the standing panel received notice of selection be listed on the list of seven (7). After receiving the list, each party shall alternate striking a name from the list and the name remaining is the arbitrator. The hearing schedule requirement herein (i.e. 90 days) may be shortened or lengthened by mutual agreement.

Within thirty (30) calendar days of the execution of this Agreement, the panel of six (6) arbitrators shall be established by each party alternately striking names from a list of thirty (30) names; fifteen (15) names each being submitted for this list by the City and Union, respectively. The Union will strike the first name. The established panel of six (6) arbitrators shall expire at the end of the term of this contract.

In the event a vacancy occurs on the panel of six (6) arbitrators, the vacancy will be filled by mutual agreement of the parties. In the event mutual agreement is not reached, the remaining panel members shall be utilized until a second vacancy occurs. The two panel vacancies shall be filled by each party alternately striking names from a list of 20 names, 10 names each being submitted for this list by the City and the Union, respectively. The Union shall strike the first name.

- B. At a date previously agreed upon, the arbitrator shall convene the hearing at a place mutually convenient to all parties. The arbitrator shall hear and take evidence of all issues presented as raised by timely-filed grievances. The hearing shall continue from day to day until all such evidence has been received and all parties have "rested". Transcripts and post-hearing briefs may be utilized at the discretion of the Arbitrator. If a transcript is utilized, a transcript by a duly-authorized court reporter will be taken of the hearing and shall be the only official transcript thereof. Both parties to the proceeding shall be entitled to representation of their own choosing, the expense of which must be borne by the respective party.
- C. The arbitrator shall make a reasonable effort to issue his/her award within thirty (30) calendar days after the date the hearing ends or, if transcripts and/or post-hearing briefs are required, within thirty (30) calendar days of receipt of the transcript or receipt of the parties' post-hearing briefs, whichever occurs later.

#### **Section 5. Witnesses and Expenses.**

- A. The following expenses shall be shared equally by the parties: arbitrator's fees and expenses and the cost of the hearing transcript. Each party will bear its own attorney's fees and costs; provided that:
  - 1. Should the arbitrator find that grievance upon which he rules is specious, he may in fact award the "prevailing party" (singularly) "reasonable attorney's fees" as defined in section 2 below.
  - 2. Should the matter proceed to court, the court shall have the discretionary authority to grant attorney's fees, including the costs of the arbitration proceedings (but not the grievance proceedings). A reasonable attorney's fee for the City shall be \$85.00 per hour, and for the employee, shall not exceed the actual rate agreed and charged, not to exceed \$100.00 per hour.

B. The City shall compensate all witnesses called by either party at their straight-time rate; provided, however:

1. The witness called is scheduled for duty when called to appear:
2. The individual's identity and a brief statement as to the relevancy of his expected testimony has been provided the City five (5) days in advance of the hearing.

Any witness called by the Union and/or the grievant who has not been identified and/or who is not scheduled for duty shall be due no compensation or administrative leave from the City.

- C. Witnesses shall be scheduled by agreement between the parties so as not to unduly interrupt the mission of the Department. The arbitrator shall have the authority, based upon the summary statement of the witnesses, to determine whether or not the testimony of the witness is required or is merely duplicitous or cumulative, then the City shall have no obligation to pay for the witness' appearance
- D. The grievant shall not be compensated for time spent at the hearing and/or in preparation thereof, nor shall he be entitled to administrative leave for any such time.

#### **Section 6. Arbitrator's Authority--Contract Cases.**

- A. This section applies to all issues involving the application or interpretation of this Agreement; provided, that where the sole issue of contract interpretation involves the Maintenance of Standards provision, and the underlying standard is a statute or constitutional provision, this section shall not apply.
- B. For issues subject to this section, the award of the arbitrator shall be final and binding upon the City, Union and employees. In making his/her award, the arbitrator shall be limited to interpreting and applying the provisions of this Agreement; he/she shall have no authority to add to, subtract from, or modify the terms of this Agreement as negotiated between the parties.
- C. The arbitrator shall have full power to take steps necessary to ensure a fair hearing for all concerned, which power shall include, but is not limited to: ordering a party to provide information in its possession or control which is reasonably necessary to the other party's prosecution of its case; ordering a party to make available to testify a person within its control; issuance of witness subpoenas; and taking reasonable steps to ensure that no undue delays in the proceedings occur, consistent with the right of all concerned to a full and fair hearing.

- D. The arbitrator shall have the authority to provide in his/her award for such relief as is necessary to make the prevailing party whole for all economic losses suffered as a result of a violation of the terms of this Agreement.

**Section 7. Arbitrator's Authority--Non-Contract Cases.**

- A. In all cases which present issues, e.g., statutory claims which do not involve interpretation or application of the terms of this Agreement, the procedures specified in this section shall apply; provided, that where a case raises both contract and non-contract claims, the arbitrator's award as to contract claims shall be final and binding on the City, Union, and the employee.
- B. In cases subject to this section, the parties will be entitled to engage in discovery as provided in the Texas Rules of Civil Procedure, and the arbitrator is authorized to issue subpoenas, to resolve disputes concerning the appropriateness of a party's discovery requests, and to enter such other orders as may be necessary to effectuate the discovery process. As soon as practicable after the arbitrator's appointment and agreement to serve, the arbitrator and the parties' representative shall hold a conference, by telephone or otherwise, to set a reasonable period for discovery and a hearing date. In no case shall the period for discovery exceed ninety (90) days, except by mutual agreement of the parties.
- C. The provision of Section 5(C) of this Article are equally applicable to Section 6 cases.
- D. For issues subject to this section, the award of the arbitrator (both as to facts and the law of the contract) shall be final and binding; provided, that either party may appeal such award to state district court pursuant to Texas Local Government Code Chapter 174 on the grounds that it is clearly contrary to the provisions of a statute or the Constitution (state or federal), or is not supported by substantial evidence as indicated in the record made before the arbitrator. Any such appeal must be filed within thirty (30) days of the date of arbitrator's award.
- E. The arbitrator shall have the authority to provide in his/her award for such relief as a court with jurisdiction over such matter would be entitled to award, including injunctive and equitable relief, compensatory and exemplary damages.

**ARTICLE 30.**

**EXHAUSTION OF REMEDIES**

**Section 1. Exhaustion.**

The City, the Union, and the Fire Fighters covered herein, shall be required to exhaust all available remedies through grievance and/or the Civil Service Commission prior to

proceeding to a court of law, state or federal administrative agency, or other regulatory body, except as provided in Article 29, Grievance Procedure. Failure to do so will act as a plea in abatement to any such court, administrative body, and/or regulatory agency proceeding until the exhaustion of remedies provided for in this Agreement have been completed to finality.

**Section 2.** If, at any time after a decision and/or award of the Civil Service Commission and/or an arbitrator, any affected party contests or challenges the decision or award in any other legal proceeding, the following shall apply:

- A. The decision and award of the arbitrator and/or the Commission must be upheld, unless the contesting party can establish the award was not supported in whole or in part by substantial evidence and/or that the award of the arbitrator and/or the Commission was capricious.
- B. As a condition precedent to the filing of any subsequent action challenging the award of the arbitrator and/or the Commission, the affected party (as used here, "party" shall mean the Union and/or the City) must file a cost bond in the minimum amount of the sum of the arbitrator's fees and expenses and the fees of the court reporter who took the transcript of the arbitration proceeding.

**Section 3.** Should any party be a part to any action by any other party contesting and/or challenging the award of the arbitrator and/or the Commission, the party may, pursuant to the terms of this Agreement, request the court or administrative body to which the action has been addressed to reimburse it/them for all costs of court, including but not limited to reasonable attorneys fees, for having to defend said action. This remedy shall be in addition to any other remedy to which the party may be entitled, including but not limited to those as specified above and/or elsewhere in this Agreement. Should either party, after having pursued grievance/arbitration or Civil Service Commission proceedings, sue in a court of law, then that court has the authority to grant as a portion of its award all costs including attorney's fees, including but not limited to the attorney's fees expended and/or generated as a result of the arbitration proceedings (but not the grievance proceedings). It is agreed that as used herein the term "reasonable attorney's fees", shall be in accordance with Article 29. Grievance Procedure, Section 5. Witnesses and Expenses.(A)(2).

## **ARTICLE 31.**

### **PROMOTIONS**

#### **Section 1. Definitions.**

- A. Seniority - For purposes of this Article, each Fire Fighter shall be given one point added to only the passing score on any written promotional examination for each year as a classified Fire Fighter in the San Antonio Fire Department. In no event shall the

number of such seniority points exceed ten (10). "Classified Fire Fighter" is meant to include service as a probationary Fire Fighter. Seniority is defined as all years of service, whether interrupted or uninterrupted, on the San Antonio Fire Department, and not merely the 1st continuous period of service.

**B. Eligibility -**

1. Fire promotional examinations shall be open to all Fire Fighters who have held a classified position with the San Antonio Fire Department for two (2) continuous years or more, immediately below that rank for which the examination is to be held. (This period shall consist of time spent by the Fire Fighter in actual service with the Department. Any absences in excess of thirty (30) consecutive days will cause the Fire Fighter to be required to remain in that position and rank for a period of time equal to the time of such absence. Time spent of leave for less than 30 days shall not apply. Example: A Fire Fighter is an Apparatus Operator as of 1/1/87. He is off work on a Line of Duty injury for thirty-one (31) days. He would be eligible for promotional examination to the position of Lieutenant as of 2/1/89. Fire Fighters who receive a retroactive promotion will be entitled to use the retroactive promotion date for purposes of determining eligibility to take future promotional examinations.)
2. The two (2) year continuous period required for eligibility to take the promotional examination for the rank of Fire Apparatus Operator shall commence with the date the Fire Fighter entered the Fire Academy.
3. A Fire Fighter who has completed two (2) continuous years of service as Fire Apparatus Operator shall be eligible for promotion to the rank of Lieutenant. The two (2) continuous year period required for eligibility on promotion shall commence with the date he was promoted to Fire Apparatus Operator.
4. A Fire Fighter who has completed two (2) continuous years service as a Fire Lieutenant shall be eligible for promotion to the rank of Captain. The two (2) year period required for eligibility on promotion shall commence with the date he was promoted to Fire Lieutenant.
5. A Fire Fighter who has completed two (2) continuous years service as a Fire Captain shall be eligible for promotion to the rank of District Chief. The two (2) year continuous period required for eligibility for promotion shall commence with the date he was promoted to Fire Captain.
6. In the event the scheduling of a promotional examination is prior to the ninetieth (90th) day of the vacancy, any Fire Fighter that would become eligible for such exam if it was given on the ninetieth (90th) day would be allowed to take such exam. For the purposes of calculating the ninetieth (90th) day, day one (1) begins

from the first day of vacancy. Such Fire Fighter will also need to have met the criteria for eligibility for such exam as if it were given on the ninetieth (90th) day.

**C. Seniority in Rank**

1. The employee with the most time in a classified rank shall be considered the senior in rank.
2. Where employees of classified ranks other than the rank of Firefighter have been promoted at the same time, seniority in rank shall be determined by the employee's placement on their respective eligibility list.
3. Where employees of the rank of Firefighter have the same amount of time in that classification, seniority in rank shall be determined by their ranking on their Probationary Fire Fighter eligibility list.
4. Where employees of the rank of Firefighter have the same amount of time in that classification and do not have a ranking on a Probationary Fire Fighter eligibility list, seniority in rank shall be determined by their placement on the eligibility list created after their entrance examination.

**Section 2. Study Materials Committee.**

Not later than October 1<sup>st</sup> of each year, the Chief shall establish a committee(s) for the selection of study materials for the written promotional examinations for each rank. Such materials which are selected shall be reviewed by the Chief who shall make the final selection subject to approval by the Civil Service Commission. A listing of all potential materials from which promotional examination questions may be taken shall be posted annually each January for examinations to be administered within the one-year period beginning the following April. Such material may not be used unless available from publishing companies at the time of the posting of the study materials list.

**Section 3. Promotion to Fire Apparatus Operator, Lieutenant, and Captain.**

Vacancies in the ranks of Fire Apparatus Operator, Lieutenant, and Captain shall be filled by competitive written examination in accordance with Chapter 143 Local Government Code and the rules established by the Fire Fighter and Police Officer Civil Service Commission not inconsistent herewith; however, a passing score of 70 shall be considered minimum for eligibility for promotion.

**Section 4. Promotion to District Chief.**

Persons having held the rank of Captain for a period of two (2) continuous years shall be eligible for promotion to the rank of District Chief. In the event all those Captains fail the written portion of the promotion examination which follows, persons holding the rank of Lieutenant for a minimum of five (5) continuous years and all Captains regardless of time-

in-rank may be eligible for examination for promotion to District Chief. The promotional examination for the rank of District Chief shall consist of two parts as follows:

- A. **Written Examination** - Shall consist of questions relating to the duties of the classification of the position to be filled. All notice of written examinations and publishing of study material shall be in accordance with Chapter 143 Local Government Code and the rules established by the Fire Fighter and Police Officer Civil Service Commission. A score of 70% on the written examination shall be considered a passing score. In the event that written examination scores are the same, the ranking of those scores shall be done on the basis of rules established by the Fire and Police Civil Service Commission. All test participants with passing grades, up to a maximum of the top 20 (twenty), shall be allowed to continue on to the next phase of the examination process, the Assessment Center Board.
- B. **Assessment Center Board** - Shall consist of three members as follows:
  1. Two persons from outside the San Antonio Fire Department who currently hold an administrative position in a Fire Department or fire-related agency in a City of 50,000 or more population or from a state or Federal agency. One such person shall be selected by the City; one shall be selected by the Union.
  2. One person from outside the San Antonio Fire Department who has held an administrative position in the field of personnel management, city management, fire science, or a related field, for a minimum of five (5) years, to be selected by mutual agreement of the City and the Union.
  3. The City and the Union shall agree on guidelines to be presented to the Assessment Center Board for use in their examination.
  4. A minimum score of 70% on the composite factors evaluated by the Board shall be required to pass the Assessment Center Board.
  5. Failure of an applicant to obtain a passing score on the Assessment Center shall disqualify the applicant from further consideration for one year from the date the written examination was administered, unless the list is exhausted, in which event persons on the list shall be eligible for re-examination. The result of the Assessment Center shall be binding for one year and shall not be appealable to the Civil Service Commission or to arbitration through the grievance procedure.
- C. **Eligibility List** - Within seventy-two (72) hours of the completion of the Assessment Center Process, excluding weekends and holidays, an eligibility list shall be prepared and posted with the respective ranking of all applicants based on the following weights:

1. Written Exam Score 50%
2. Assessment Center Score 50%

Total Score 100%

#### **Section 5. Promotional Probation.**

For promotional ranks of Fire Apparatus Operator, Lieutenant, Captain, and District Chiefs there shall be a probationary period of six (6) months. During the promotional probationary period, an employee may be demoted by the Chief to the rank from which promoted, and the decision to demote shall not be subject to disciplinary appeal. Upon demotion while holding a probationary promotion, an employee shall resume the competitive rank from which appointed and the salary shall be in accordance with said competitive rank, with service time credited as continuous time in that competitive rank and with all salary increases to which the employee would have been automatically entitled had the employee continuously remained in said competitive rank. If the probationary period is successfully completed, the probationary period shall count as time in grade in the new rank.

#### **Section 6. Chief's Review of Promotability.**

Notwithstanding the provisions of this Agreement, the parties understand and agree that in considering a Fire Fighter for promotion the Chief shall have all rights and privileges as contained in Chapter 143 Local Government Code regarding promotability.

#### **Section 7. Assessment Center Promotional Dispute Resolution Procedure.**

- A. The purpose of this Section of this Article is to provide for the exclusive remedy available to officers who question or challenge the Assessment Center process.
- B. Any officer who disputes or challenges the Assessment Center process as contained in this Article as it applies to him shall file a grievance within ten (10) calendar days of the posting of the results of the examination process with the Director of Personnel of the City, which grievance must state in particular and with specifics the officer's objection to said process and/or results. Copies of all grievances so filed shall be provided to the Union.
- C. Within fifteen (15) calendar days of the date of the posting of the results of the Assessment Center process, the City and the Union shall meet to review all such grievances timely filed and shall each designate a representative to act in their behalf. These two representatives shall select and agree upon a third, mutually-satisfactory individual who shall act as an independent arbitrator. Failure of the parties' representatives to agree on this third "neutral" shall result in the parties selecting an

arbitrator from the list of six (6) arbitrators previously agreed to in Section 4 of Article 29. Grievance Procedure. The arbitrator or "neutral" so selected shall be notified promptly of his appointment and, simultaneously therewith, the parties in agreement with the arbitrator or "neutral" shall select a date for a hearing of all the grievances so submitted, which date shall be within thirty (30) calendar days.

- D. At the date previously agreed upon, the independent arbitrator or "neutral" shall convene the hearing at a place mutually convenient to all parties. The arbitrator or "neutral" so selected shall hear and take evidence on all of the grievances that were timely filed by officers as previously described. The hearing shall continue from day to day until all such evidence has been received. A transcript by a duly authorized court reporter will be taken of the hearing and shall be the only official transcript thereof. All parties to the proceedings, including individual officers, shall be entitled to representation of their own choosing, the expense of which must be borne by the respective party.
- E. The arbitrator or "neutral" so selected shall submit a written opinion on each grievance presented and/or heard by him without the benefit of the submission of briefs by the City, the Union, and/or the affected officer. The decision of the arbitrator or "neutral" shall be brief and concise and shall recite:
1. The name of the grievant;
  2. The issue presented;
  3. The decision and award of the arbitrator or neutral.

Unless otherwise mutually agreed by the Union and the City, the decision of the arbitrator or "neutral" shall be rendered within fifteen (15) calendar days of the date the hearing was closed. The decision of the arbitrator shall be final and binding on the City, the Union, and the affected Fire Fighter/grievant.

- F. The fees and expenses of the arbitrator or "neutral" and of the official court reporter shall be borne equally by the Union and the City.
- G. Should at any time after the decision and award of the arbitrator or "neutral" any affected Fire Fighter/grievant contest or challenge the award of the arbitrator in any other legal proceeding, the following shall apply:
1. The decision and award of the arbitrator or "neutral" must be upheld, unless the Fire Fighter/grievant can establish by clear and convincing evidence said award was not supported in whole or in part by substantial evidence and/or that the award of the arbitrator or "neutral" was capricious.

2. As a condition precedent to the filing of any subsequent action challenging the award of the arbitrator or "neutral", the affected Fire Fighter/grievant must file a cost bond in the minimum amount of the sum of the arbitrator's fees and expenses and the fees of the court reporter who took the transcript of the arbitration proceeding.
- H. Should the Union and/or the City be a party to any action by a Fire Fighter/grievant contesting and/or challenging the award of the arbitrator or "neutral", the City and/or the Union may, pursuant to the terms of this Agreement, request the court or administrative body to which the action has been addressed to reimburse it/them for all costs of court, including but not limited to attorneys fees, for having to defend said action. This remedy shall be in addition to any other remedy to which the City and/or the Union may be entitled, including but not limited to those as specified above and/or elsewhere in this Agreement.

#### **Section 8. Appointment to Assistant Chief and Deputy Chief.**

- A. The Chief shall have the right to appoint six (6) Assistant Chiefs which rank immediately above the rank of District Chief and rank below the Deputy Chief in the chain of command. AN ORDINANCE 83927

ADOPTING THE CITY'S OFFICER AND EMPLOYEE LIABILITY PLAN POLICY AND REPLACING ORDINANCE NO. 62206, ADOPTED IN JANUARY 1986.

\* \* \* \* \*

**WHEREAS**, the current Ordinance adopted as Ordinance No. 62206, in January 1986, lacks procedural detail and clarity, causing concerns as to "acts" covered and excluded under the Indemnification Policy; lacks detail in procedures that officers and employees need to follow in order to be entitled to indemnification; and causes confusion as to when the City will pay for employee's outside counsel, and

**WHEREAS**, a new Ordinance is needed to define "acts" and to formalize the procedural process; **NOW THEREFORE**:

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:**

**SECTION 1.** This Ordinance formally adopts the City of San Antonio Officer and Employee Liability Plan Policy ("the Plan"). It replace Ordinance No. 62206, adopted in January 1986. The Plan indemnifies City officers and employees in connection with legal proceedings arising from the performance of their duties.

**SECTION 2.** This Policy will clarify the rights and responsibilities of the City, and of the officer or employee, and will simplify the process of responding in a timely manner to the initiation of litigation. The Plan shall consist of the policies, rights, and duties embodied in this Ordinance, and shall be implemented and administered as provided by this Ordinance.

**SECTION 3.** The proposed Ordinance defines "acts" that are covered and excluded. If the City denies coverage, the Plan member may seek a determination from the court as to whether they are entitled to coverage; it will formalize the procedural process, in that officers and employees are given specific procedures in order to request indemnification.

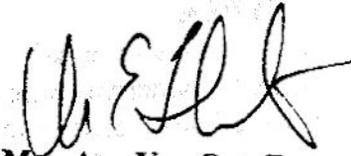

**SECTION 4.** The City Attorney or his designee will represent the Plan member unless a conflict arises, then the Plan member must select an approved private attorney for representation. The City will not pay for any costs or legal fees incurred by the Plan member if they utilize an attorney not approved by the City Attorney and Risk Manager, unless required by law.

**SECTION 5.** The Plan does not affect police/fire personnel under their present labor contracts.

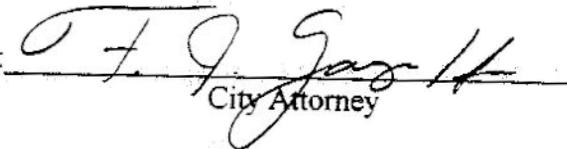

**SECTION 6.** Formal adoption of this Ordinance will not necessitate a current budget amendment, as expenditures will be approved on a case-by-case basis in connection with each individual lawsuit.

**SECTION 7.** This Ordinance shall be effective on April 25, 1996.
