

***Y-T-D Total SAT Passengers Up 3.2% Over March 2011***

For calendar year-to-date (YTD) through March 2012, San Antonio International Airport (SAT) passenger counts totaled 1,915,692, and are ahead of the same period in 2011 by 3.2%. Through March 2012, domestic passengers are .8% ahead of 2011 and international passengers are 135.4% above 2011 counts.

When compared to the month of March 2011, total SAT boarding passenger counts (356,855) are up .6% and total enplaned and deplaned passenger figures (722,833) are up .44%. During this month, domestic passenger statistics (694,156) were down 1.54% while international passenger numbers (28,677) were up 96.42%. The large international passenger increase was primarily due to increased seats in the San Antonio market as a result of new Mexican-based airlines entering the market in late 2011.

Through March 2012, calendar YTD total air cargo (65,598,451 pounds), which includes both freight and mail, was down by 5% when compared to the same period in 2011.
