

CITY OF SAN ANTONIO  
**CENTER CITY DEVELOPMENT  
& OPERATIONS DEPARTMENT**

**RIVER WALK CAPITAL IMPROVEMENT  
PHASE IV UPDATE:  
August 24, 2015 – August 28, 2015**

The River Walk Capital Improvement Project Phase IV is currently underway. This is provided to give updates on various project areas. The areas under construction at this time are as follows:

**UNDER CONSTRUCTION:**

1. **Area by the International Center from the South flood gate to the St. Mary's Street Bridge (inner loop)** – Scope of work includes ADA sidewalk improvements; new elevator installation; staircase, electrical and landscape improvements.
  - The new ramp is open to pedestrian traffic.
  - The elevator is scheduled for a final inspection on Tuesday, August 25th.
2. **PHASE 5 –St Mary's St Bridge to Homewood Suites (inner loop)** – Scope of work includes sidewalk replacement, new planter walls, handrail painting and electrical upgrades.
  - Contractor will install cabinets for the exposed conduits underneath St Mary's St Bridge the week of August 24<sup>th</sup>.
3. **Spiral staircase to Navarro St Bridge (outer loop)** – Scope of work includes sidewalk replacement and lighting upgrades.
  - Contractor will paint new hand rail; remove existing guardrail; complete flagstone and planter wall work; and modify the Navarro staircase existing handrails.
  - The flood gate staircase is open and provides access to the south channel segment of the river. Pedestrians are able to cross over flood gate to continue along the river walk in the Historic River Bend.

Thank you for your patience and cooperation during construction as we work to improve the historic River Walk. With the assistance of the Paseo del Rio Association, the Center City Development & Operations Department will provide project updates to you every 7 to 10 days or as needed. If you should require any additional information please contact **Cynthia Martinez, Downtown Operations Division at 207-3372.**
