

International and Economic Development Director

Rene Dominguez

Rene Dominguez was appointed Director of the International and Economic Development Department in June 2010. In addition to the director's day to day duties, Dominguez will oversee the Industry Development, Small Business and International Business Development Divisions.

Mr. Dominguez previously served as International and Economic Development Assistant Director. Dominguez came to the city in August 2009 from the Community Development Loan Fund, where he was president from July 2006 to July 2009. As president he promoted economic development and small business growth. Before that, he worked at St. Mary's University in various positions from October 1995 to June 2006. His last St. Mary's position was executive director of development, where he was responsible for providing the overall direction and management of the University's Development Department.
